

Academic Programs Eligible for Bridge Scholarship

Construction

- Heavy Equipment Operations
- HVAC Technology
- Construction Management Technology
- Electrical Systems Technology

Advanced Manufacturing & Engineering

- Biomedical Equipment Technology
- Computer Integrated Machining
- Electronics Engineering Technology
- Industrial Engineering Technology
- Mechanical Drafting Technology
- Mechanical Engineering Technology
- Mechatronics Engineering Technology
- Nondestructive Examination Technology
- Welding Technologies

Automotive

- Diesel & Heavy Equipment Technology
- Light Duty Diesel Technology

Health Care

- Associate Degree Nursing (leading to RN)
- Occupational Therapy Assistant
- Physical Therapy Assistant
- Radiology
- Respiratory Therapy
