# Sustainability Series:

**THREE RIVERS  
LAND TRUST**

**Crystal Cockman** of Three Rivers Land Trust will talk about the critical work the organization is doing in protecting and conserving land, natural areas, rural landscapes, family farms, and historic places within North Carolina's central Piedmont and Sandhills.

Thursday  
**April 22 | Earth Day**  
**1:30-2:30 p.m.**

Crystal began her time at the Land Trust as a Duke University Stanback Intern in 2005 and enjoyed the job so much that she joined as a full-time staff member in July 2006. She graduated from Duke University in 2004 with a Bachelor of Science in Environmental Science and minors in Earth and Ocean Science and in English. In May 2006, she received her Master of Environmental Management from Duke University's Nicholas School of the Environment and Earth Sciences, with a focus on Environmental Health and Security. In her spare time, she enjoys reading, backpacking, hiking, fly-fishing, and pretty much anything outdoors.
